

# SOUL BINDING & LOOSING PRAYER

Father, I give myself to Jesus Christ. I repent of my sins. I receive His blood sacrifice. I choose that with my will. I am your child. You have given me the keys of the Kingdom. Today, I'm choosing to use them.

## **Loose**

And I choose, as an act of my will, to loose from my soul any darkness, any lies, accusations, fear, offense, unforgiveness, any thoughts of death, any addictions to any person, or place, or thing. It goes out in Jesus name. I loose any lack, anything of the enemy, no matter how I got that put in my soul. I choose to loose it right now in Jesus name!

## **Bind**

Father, I choose, as an act of my will, to bind your love to my soul. Father, I choose to bind your presence to my soul. I choose to receive your joy in my soul. Father, I choose to bind your power in my soul. Father, I choose to bind to my soul, your purpose, your plans, your wealth. In Jesus name! I receive it! Amen!

Father, I thank you, I praise you for the keys of the Kingdom. Holy Spirit, I give you permission to remind me anytime something starts to enter my soul that is not of God. You remind me to loose it immediately in Jesus name!
